

Experienced Tax Accountant

Are you looking for a change?

Working with Aegis Business Services you will work with micro, small and medium sized businesses. You will enjoy variety across various software platforms and client industries, you will learn a lot working with us. Our culture is relaxed, and we embrace flexibility around our working hours. We aim to provide regular training sessions and organise team building events during the year.

Aegis Business Services is an award winning, progressive, cloud based Chartered Accounting and bookkeeping firm located in Redland City, near Brisbane, Qld. We are a growing firm and work with both personal and business clients. Our passion is in the small and medium business area. We are a tech savvy firm that embraces the cloud.

We are physically located in Redland City, near Brisbane, with our work area overlooking a nature reserve, though we work with clients Australia wide. We are close to shops and cafes, we are also walking distance from a train station, and have ample onsite parking.

The Role

This full time opportunity is for someone who has experience within professional practice and has proven business service/taxation experience. This position is not just a back office position. You will have lots of client contact via email, phone and the odd zoom and face to face meeting. You will work closely with and report to our tax manager. The ideal candidate will be confident, motivated, have outstanding written and verbal communication skills and be able to work in a friendly and professional team environment. Candidates should have a minimum 3 years work experience in public practice. They should be able to confidently complete financial statements / tax returns. Remuneration will depend on individual experience.

Duties include:

- Preparing and completing of financial statements and tax returns for
